

PRODUCT CODE: 551

# PROTECT-A-ROOF PREVENTS BLACK STAINS, ALGAE & MOSS

## DESCRIPTION

DeWitt's Protect-A-Roof is used after cleaning roof or other surfaces with DeWitt's Clean-A-Roof (Step1). DeWitt's safe, non-solvent, biodegradable (no bleach, chlorine hydroxides) formula prevents algae, moss, mildew, fungus, molds and lichens. DeWitt's Protect-A-Roof also works up to two years to prevent growth from coming back. Easy to use. No rinsing needed. Keeps surfaces looking like new and prolongs their life.

## USES

DeWitt's Protect-A-Roof works on all types of roofs, brick, stucco, stone, wood, siding, patios, walkways, awnings, RV's, outdoor furniture, decks and more.

## APPLICATION

Protect eyes and skin from contact with this product. Surface may be slippery when applied. Follow extra precautions when using this product on roof. Apply at temperatures of 50° F and above, with calm winds.

**HEAVY PROTECTION:** Mix 6-10 oz. of Protect-A-Roof to a gallon of water inside a garden sprayer.

**MEDIUM PROTECTION:** Mix 4-6 oz. per gallon.

**LIGHT PROTECTION:** Mix 2-4 oz. per gallon.

Dilute concentrate at 6 oz to 1 gallon of water (up to 10 oz. per gallon in bad areas) Apply solution with soft brush or "garden type" sprayer. Start at low end of roof and work side to side and backward to crest. Do not rinse.

Note: If contact with plants or shrubs, rinse with water.

TIP: The 32 oz. hose attachment bottle can be refilled with Clean-A-Roof or Protect-A-Roof. (32 oz. hose attachment bottle dispenses at rate of 4 oz. per gallon.)

## COVERAGE

Approximately 1500-2000 sq. ft. per gallon of mixed product (32 oz. bottle covers approx. 500 sq. ft)

## PACKAGING

32 oz. hose attachment bottle, 1 gallon, 5 gallon & 55 gallon

## CAUTION

Keep this product away from eyes and skin. If contact occurs, immediately flush with water. If irritation occurs seek medical attention. Do not ingest this product. If ingestion occurs, immediately drink 1-2 glasses of water. Do not induce vomiting. Contact your local poison control center. **KEEP OUT OF REACH OF CHILDREN. KEEP FROM FREEZING**
